

District 8 residents - Speak your minds!

Thank you for telling us about your city and district budget priorities! Your responses to this short survey will help Supervisorial Candidate Rebecca Prozan develop a policy agenda that reflects the concerns and priorities of her constituents—that's YOU! We promise that all of your information will remain strictly confidential.

Three survey areas, 15 questions, 5-10 minutes, max:

- **Budget:** We want to know what your spending, cost cutting, and revenue generation priorities are.
- **Economy:** We want to know how the economic downturn has affected you.
- **Demographic:** If you have kids, we want to know if they are in our public schools. Also, to ensure that we are collecting information from District 8 constituents, we ask that you give us your name and address. We won't give it to anyone else, we promise.

BUDGET

1. San Francisco City Budget: Spending Priorities

Our city is facing a projected \$522 million dollar deficit next fiscal year. City leaders will have to make hard choices on what the city's budget priorities are. What are your budget priorities?

Please rank the following from 1 to 7 (with 1 being most important to you):

- Public Safety _____
(Police, Fire, Emergency Services, Violence Prevention)
- Children and Families _____
- Recreation and Parks _____
- Public Health Services _____
- Social Services _____
(Workforce Development, Services to Seniors, Homeless and Individuals in Need)
- MUNI _____
- Other, please specify _____

2. Of the budget priorities, please tell us what specific proposals you would prioritize:

Public Safety? (please select 2)

- a. More cops on MUNI
- b. More community policing
- c. More community conflict mediation options
- d. Maintaining neighborhood firehouses
- e. Other, please specify _____

Children and Families? (please select 2)

- a. After school programs
- b. Child Care
- c. Youth Employment
- d. Improving our public schools
- e. Other, please specify _____

Recreation and Parks? (please select 2)

- a. Maintain or expand recreation center hours
- b. Maintain or expand recreation center programs
- c. Maintenance of parks and fields
- d. Maintenance of buildings and facilities
- e. Other, please specify _____

Health Services? (please select 2)

- a. Maintaining Healthy San Francisco (health care to uninsured residents)
- b. HIV/AIDS services
- c. Mental health
- d. Substance Abuse
- e. Other, please specify _____

Social Services? (please select 2)

- a. Homeless services programs
- b. Homeless youth programs/transition age youth programs
- c. Senior services
- d. Workforce development
- e. Other, please specify _____

MUNI? (please select 2)

- a. Safety on MUNI for passengers and drivers
- b. Maintaining routes
- c. Frequency of Buses
- d. Include "parents with strollers" for front seats currently designated for seniors and persons with disabilities
- e. Other, please specify _____

3. San Francisco City Budget: Cost Cutting

As mentioned, our city is facing a projected \$522 million dollar deficit next fiscal year. City leaders are looking for smart ways to cut costs. What do you think our best option is?

Please circle the best option:

- a. Layoffs of frontline city personnel
(parking control officers, MUNI Drivers, Rec Center Directors)
- b. Decrease amount of social services
(closing homeless shelters earlier, reducing HIV/AIDS services, closing trauma recovery center)
- c. Pension Reform
(reduction to city employee health and/or retirement benefits)
- d. Other, please specify _____

4. San Francisco City Budget: Revenues

As mentioned, our city is facing a projected \$522 million dollar deficit next fiscal year. City leaders are looking for smart ways to raise revenues. What options do you prefer?

Please rank the following from 1 to 7 (with 1 being most important to you):

- A new tax on liquor (per drink) _____
- Reinstating the vehicle license fee for San Francisco _____
- Parcel Tax _____
- Increased sales tax _____
- Hotel Tax _____
- Selling additional taxi medallions _____
- Allowing owner-occupied Tenants-in-Common (TIC's) of multi-unit buildings with a clean eviction history to bypass the lottery and convert to condos at a set price for a one-time infusion of revenue _____

5. Other Revenue Generating Ideas:

ECONOMY

6. Economy: Tell us how it's affecting you.

Are you currently employed? (circle one) Yes No

Are you currently underemployed? (circle one) Yes No

7. Are you spending less money because of the economy? (circle one)

a lot less a little bit less same as before spending more

DEMOGRAPHICS

If you have kids in our schools, we want to know!

8. Do you have kids? (circle one) Yes No

9. How many are under 18? _____

10. If your kids are school aged, are they in public school? (circle one) Yes No

11. To ensure that we are collecting information from District 8 constituents only, we ask that you give us your name and address. We won't give it to anyone else, we promise.

Name: _____

Address: _____

Email: _____

Thank you so much for telling us what you think! If you are interested in getting involved with or supporting our campaign, please contact **survey@rebeccaprozan.com** or sign up for email updates on our website.
