

San Francisco's third Carrotmob at Bernie's!

3966 24TH ST · BETWEEN NOE & SANCHEZ
SUNDAY, OCTOBER 18 · 11AM-2PM

Support energy efficiency and conservation while promoting a Noe Valley business owner. Bernie's is already a certified member of the Green Cafe Network and has pledged over 40% of sales during the October 18 event to go even greener.

Carrotmob encourages businesses to compete to see who will do the most good for the environment, and then rewards the business with a mob of consumers.
